SCHEDULE OF COMMITTEE AND COMMISSION APPOINTMENTS, 1958-1959

NOTE: The Committees listed herein have been authorized by President Lenox D. Baker and/or are required under the Constitution and By-Laws.

Particular note should be taken of the authorization of the House of Delegates of a Commission form of organizational activity and that all committees, excepting Committee on Nomination, Committee on Negotiation, and Committee on Grievances, are segregated under the respective Commission in which the function of the committee logically rests. This will tend to eliminate overlapping and duplication in activity programs and result in coordination of the work of the Society in a manner to lessen the work of the delegates in the Annual meeting of the House of Delegates.

(The President, Secretary and Executive Director of the Society are ex-officio members of all committees and, along with the Commission Chairman, should receive notice of meetings, agenda and minutes of committee meetings during the activity year.)

FIFTY YEAR CLUB

The House of Delegates of the Medical Society of the State of North Carolina in May of 1953, authorized the Executive Council of the Society to establish a special recognition for those physicians residing in the State of North Carolina who were members currently of the State Medical Society, who had established legal practice of medicine and who had actively practiced medicine during their life time for a period of fifty years.

Listed below in alphabetical order are the names and address of those physicians residing in North Carolina, whom the Medical Society of the State of North Carolina has recognized as members of the FIFTY YEAR CLUB of the State Medical Society. This list will be added to from year to year and likewise subtracted from as losses to this club group are sustained and reckoned.

This listing for 1958 may include Fifty Year Club members, who have passed away since their recognition. The list will include only those members surviving during the year of the list and those added for that year.

DOCTOR, when your patient needs a hearing aid, the recommendation for the best is:

It's simple reasoning . . . when a product achieves overwhelming acceptance and becomes an outstanding leader—there must be a good reason. In the field of hearing aids, it's Zenith. Reason: Quality. . . and quality alone. Quality reflected in performance which explains why many distinguished men and women—who could afford to pay more for a hearing aid—choose Zenith. Twelve transistorized models.

The years together build mutual confidence—and a sacred trust

This . . . is Blue Shield's purpose

To Blue Shield, the relationship between you and your patient is sacred.

It is a relationship that takes years to develop . . . a freedom from inhibition . . . a mutual trust. We at Blue Shield recognize this trust and are dedicated to preserving it. That is why:

- Your patient retains the essential privilege of choosing his *own* doctor . . . he or she is free to *remain* your patient.
- Only Blue Shield offers so many benefits along with this choice of doctor . . . to poor risks as well as good.
- Statistics show patients are less likely to hesitate, for *financial* reasons, before consulting you. You see them earlier when many conditions are easier to treat.

- There are fewer strained relations, embarrassing reminders—you are relieved of a major credit problem because Blue Shield pays *promptly*—on a fee-for-service basis.

In these ways, Blue Shield has cemented the relationship between physicians and over 500,000 subscribers in North Carolina. Most of your patients can afford Blue Shield's low subscription charges and it is relatively simple for them to apply for enrollment.

All you need do is keep a good supply of Blue Shield booklets on hand and point them out to your patients. For your free supply, write to—BLUE SHIELD®, Hospital Saving Association, Chapel Hill, North Carolina.
